

## Baylor Outdoor Adventure Line Camp Participant Information Packet

### Dates

July 22 – July 29

### Cost

\$595, (does not include travel to Colorado Springs Airport, but does include a Line Jersey)

Join other Baylor Freshmen and Transfer Students for the “**wilderness side**” of Baylor Line Camp. Outdoor Adventure Line Camp is a 7-day experience for anyone who wants a fun, challenging and different kind of introduction to college life. While staying at our basecamp in the beautiful Rocky Mountains of Colorado, we will have adventure and discovery at our fingertips. During the week, we will participate in team building activities, backpack for 4 days and 3 nights, rock climb and go whitewater rafting. Along with personal and group challenges, you will have the opportunity to form great new friendships, learn about your individual strengths and prepare yourself for your first year at Baylor. Spending time each day on the trail and in camp in the evenings is a great way to build lasting relationships for the next several years at Baylor.

### Cancellation Policy

Please contact us at [outdooradventure@baylor.edu](mailto:outdooradventure@baylor.edu) if you no longer plan to attend Outdoor Adventure Line Camp. For cancellation requests received after **June 23, 2023** you will not receive a refund, but will receive your Baylor Line Jersey when you arrive on campus in the Fall.

### Camp Expectations

Outdoor Adventure Line Camp is intentionally designed to welcome, energize, and unify all new students. It is our hope that students leave camp with a renewed confirmation in their decision to attend Baylor as well as a better understanding of their unique qualities and how those will contribute and inform their college experience.

The following expectations were created to ensure that Outdoor Adventure Line Camp is an enriching experience for all participants. Past Line Campers and staff report that compliance of these expectations increases peer-to-peer, small group, and large group relationships. Although a few of these expectations reflect Baylor University's code of conduct requirements, most are simply added to respect the desires of all participants. Students who fail to comply with these expectations are subject to dismissal from Line Camp.

### Alcohol and Illegal Drugs

The possession and/or use of alcohol or illegal drugs are not permitted during line camp or on campus.

### **Tobacco Products**

Upon considering the health risks to all participants, tobacco products are not allowed.

### **Cell Phones, Computers, and Other Forms of Alternative Communication**

Cell phones will be collected at check-in and kept in a secure location when students arrive at camp. Later in the week students will have the opportunity to take pictures while on the trail, where cell service will be very limited or unavailable. For any urgent and/or immediate needs, staff cell phones will be readily available for students to use throughout the week. We have found through post-camp evaluations, that many participants have reported appreciating the "no cell phone policy" because they spent much more time investing in new friendships-time they would have possibly otherwise spent on alternative communication.

### **Diversity Statement**

As a new member to the Baylor community, we expect students to always foster environments where all people are valued regardless of their race, ethnicity, gender or faith. As a Line Camp participant, it is our hope that you interact and dialogue with individuals from different backgrounds and with diverse experiences. Inappropriate slang words, racial slurs, derogatory comments, etc. will not be tolerated.

### **Appropriate Clothing**

Styles of clothing and messages on clothing have proved the ability to distract participants from the purpose and intent of camp. In an effort to keep positive attention on others, it is our expectation that participants dress modestly. Additionally, please take note of the specific and necessary clothing items on the camp packing list.

### **Arrival/Departure Information**
